GETS NEW VIOLINIST

MARYVILLE CONSERVATORY ADDS W. A. BLAAHA TO FACULTY.

A STUDENT MANY YEARS

Has Been On Concert Tour to Europe and Has Taught Music For Thirteen Years.

The Maryville Conservatory of Music has been particularly fortunate in securing the services of Mr. Wayne Anton Blaaha of Chicago. Mr. Blaaha, fellow student of Kubelik, Kocian, Ondricek and other famous violinists, graduated with highest honors from the school of the world renowned teacher, Prof. Ottaker Sevcik, at Prague. He is not only a graduate of Sevcik, but was also assistant instructor for five years.

Mr. Blaaha is a finished violinist and while on a concert tour through Europe was greeted everywhere by most enthusiastic audiences and was spoken of in the highest terms of praise by the papers and the musical critics in all the principal cities. In America, Mr. Blaaha has played in the larger cities and has been greatly admired for his faultless technic and his extensive repertoire. As a musician he is well grounded in theory and composition, having studied under Dr. Karl Knittl and Dr. Antonin Dvorak.

Mr. Blaaha was violinist for six years in the Philadelphia Symphony orchestra. He has also been violinist with the orchestras of Prague, Pittsburgh, and Chicago. As a teacher of violin he has been associated with the following: Assistant for five years to Prof. Sevcik of Prague; one year at Butler College, Indianapolis, Ind.; one year at Pittsburgh Orchestra and School of Music; three years in Chicago College; seven years at Sternberg School of Music in Philadelphia.

Following are a few of the many press notices he has received:

"In the Kimball concert, Mr. Wayne Anton Blaaha made his re-appearance after his five years of study under the great Pedagogue Prof. Ottaker Sevcik. It is only since the time Kubelik and Kocian played here that we have had the privilege of having two difficult concertos in one evening. His remarkable technic was both clean and pure, and the most difficult passages in Paganini's cadenza were played with the greatest ease. He was overwhelmed with applause and was forced to play three encores. —Daily Tribune, Chicago.

"He proved himself an artist of the highest type."—Daily News, Cedar Rapids, Mich.

"Mr. Blaaha's playing aroused the audience to a stormy applause."—The Sentinel, Indianapolis, Ind.

Mr. Blaaha will begin teaching at the Conservatory, Monday, Sept. 17.

HUFF WAS NOT ARRESTED

County Authorities Are Still Investigating Attempt to Set Fire to Corn Cribs at Elmo.

The county authorities are still investigating the attempt to burn the grain cribs near the railroad track at Elmo. A. D. Huff, who was brought to Maryville, was not arrested the Elmo Register this week says:

What adds to the mystery is an abandoned car that was found near the home of George Colvin. Some one sent in a phone message and Fred Bain went out and brought it in. It has an Iowa license number, and is supposed to belong to the real culprit.

Mr. Huff has lived here many years and his friends do not believe him to be the guilty party.

There may be more developments in the case, as there is considerable mystery about it.

PLANS FOR BANQUET

COMMITTEE SECURES A PRIZE WINNING SHORTHORN.

NODAWAY BREEDERS AID

Efforts Will Be Made to Have Entire City Decorated In the National Colors For That Day.

Real Shorthorn beef from one of Nodaway county's prize winning herd will be a part of the wonderful open air banquet next Wednesday. The committee this morning announced the acceptance of a splendid offer by the Nodaway County Shorthorn Breeders' association, in giving a fine blooded animal for the occasion.

Names of the members of the organization who are co-operating in this patriotic move are Bellows Brothers, Ogden & Son, J. R. Evans & Bro., of Maryville and F. C. Barber & Son of Skidmore. One of the very finest animals for this purpose will be offered as a patriotic gift to the honor of the men.

A call for decoration has been issued by the committee. Every business house and residence in the City of Maryville should display a flag, bunting or banner of national color upon this occasion, the committee believes. General decoration by the committee will be cared for in the down-town streets, but it is expected that every merchant and business institution will see that its front is dressed in proper style for this gala event. It may be impossible for the committee to notify or invite every person individually to do this, so it is urged that every citizen of this city make it his special duty in the course of events to decorate his residence or store front.

Reports from over the county received by the committee this morning indicate that there will be the largest crowd in Maryville, the weather permitting, that has ever gathered for any one event. Great pleasure has been expressed by those in charge at the splendid manner in which the county has rallied to the occasion, indicating that there is prevalent a spirit of patriotism and respect for the young manhood of the nation, such as was unbelieved existed.

Misses Mary and Margaret Foster, who have been visiting their grandmother, Mrs. William Garrett, and other relatives of Maryville, will leave tomorrow for their home in Des Moines, Ia.

SIMPSON LAUDS JOB

CALLS HIM THE "MASTER CHARACTER OF LITERATURE.

SPEAKS WITH EMPHASIS

The Rev. Cameron Harmon to Talk Tonight on "The Transfiguration of the Commonplace."

The lecture given last evening at the semi-centennial celebration at the First Methodist Episcopal church was delivered by the Rev. Fred W. Simpson, pastor of the First M. E. church, of Shenandoah, Ia. He took for his subject, "Job, the Master Character of Literature." At the close every one felt he had made good his claim and had given a most interesting, scholarly, and at the same time virile messages ever delivered in Maryville.

The Rev. Mr. Simpson speaks with great clearness and conviction. He has the happy faculty of presenting the findings of modern scholarship, not for the sake of learning but for the enrichment of life. He has excellent literary taste and his many apt allusions to the world's great literature was very pleasing. He said:

"The Bible is an inspired book and it increases our appreciation to realize that the vehicle of the divine

PEOPLE BEHIND PREMIER

New Government to Be Organized — General Aleffe May Become Commander of the Army.

Special to The Democrat-Forum.

Petrograd, Sept. 14.—Kerensky has again saved Russia from being beset by a civil war while a powerful foe is knocking at the country's western gates. The young lawyer premier by his fiery eloquency and Napoleon-like magnetism has steered the Government through a very doubtful storm.

Korniloff was regarded as a powerful foe, but the Kerensky victory showed the people are with him. So far as is known, the rebellion was put down without loss of life. A new and stronger government is being organized. General Aleffe, former chief of staff, who refused to listen to overtures from Korniloff, emerges from the turmoil as a strong military factor and the command of all the armies may again be offered him. The fate of Korniloff is in doubt.

London, Sept. 14.—A complete lull exists on the British front. The weather has turned bad again, hindering operations. DR. BENTLEY RETIRES

As Head of Ensworth Hospital at St. Joseph — Will Be 78 Years Old in December.

Today's St. Joseph Gazette had the following:

After nineteen years' connection with Ensworth hospital, during which time he has been the mainstay and inspiration of the institution, Dr. J. J. Bentley is retiring from the superintendency. He leaves believing that he has given enough of his life to the work and has borne the burden and heat of the day long enough and that it is now time for some younger man to take up the task.

Dr. Bentley will be 78 years old Dec. 28. He was born in New York state and came to Missouri in 1860, for a number of years being a pastor in South Missouri, where he had many trying experiences in that new country. He came to St. Joseph in 1884 as pastor of the First Methodist church, remaining here for two years. He then was made presiding elder of the district, and then went to Cameron as pastor, being then transferred to the presiding eldership of the Maryville district. He came back to St. Joseph in 1898 as presiding elder and superintendent of the hospital.

He has been in the Methodist ministry for 60 years.

Dr. Bentley's successor has not yet been named, but the hospital board is considering a number of men for the place.

M. WHITEFORD WILL FILED

The Big Estate of Guilford Land Owner is Bequeathed to Wife and Children.

The will of Matthew Whiteford, who died at his home at Guilford last week was filed in probate court today. All household and kitchen furniture was given to his wife, Mary Whiteford, in addition to a large number of acres of land. All the rest and residue of the estate is to be converted into cash and for equalizing the value of lands conveyed to his children by deeds under date of May 8, 1917, Florence Parr is given $3,200 and Rachel Wray $3,800. A grandson, Donald Whiteford McLean, is given $1,000. The executors are requested to pay off out of the proceeds of the sale of the residuary real estate the incumbrances on lands deeded to his children on May 8, 1917. Carl Wray of Guilford and T. D. Parr of Hamilton were named as executors. The will was written on May 8, 1917, and witnessed by A. F. Harvey and K. C. Cummins.

A Money Saving Sale of New Fall
Crepe de Chine Blouses

That demonstrates most convincingly how our patrons benefit from our co-operative merchandising methods

A great many months ago; in fact early last Spring, a manufacturer of good Waists, bought tremendous quantities of fine silk.

He knew that prices would advance excessively—as they since have

He likewise knew that a certain number of good stores would take all the Waists he could produce, *figured on the basis of cost of material to him.*

We together with other merchants in other cities, placed open orders for these Blouses, to be delivered at periodic intervals during the Fall and Winter, to be made up in the new and wanted styles.

The first allotment has just come in, and will go on sale tomorrow.

As was expected they are *most unusual in value*, for in addition to the *saving on material*, the arrangement effected many other savings: *such as eliminating selling expense and lower making cost.*

Selling as we buy; giving our patrons the benefit of any advantage we possess, instead of charging "all the traffic will bear" the Blouses will be sold, while they last, (for no more of the styles can be obtained.) at:

NODAWAY COUNTY'S BARBECUE.

Next Wednesday Maryville and Nodaway county people will gather here to honor the men who will comprise our quota in the first National army. More than 200 of the boys will be the honor guests. Every citizen of Maryville should show his patriotism and his loyalty.

Let's have every home and business house in the city flying the American flag or decorated with bunting. We want to make it a gala day. We are expecting the largest crowd that we have had here for a long time.

Eighty of these boys will leave the same day for Camp Funston, and they will compose our second contingent of 40 per cent. We are expecting every band in Nodaway county to be present and we are expecting most of the people of the county, too. Plan to be here for the celebration and the barbecue.

CORN CROP TO BE BIG

Late Fall Will Allow Grain to Ripen and Many Fields Will Yield Well.

"It's up to the weather man to do the right thing now," is the way the majority of farmers are expressing themselves about Nodaway county's prospect for a good corn crop this year.

For Nodaway's corn has overcome some surprising obstacles this season and will still come under the wire a winner if Jack Frost will postpone his visit three or four weeks yet.

To begin with, a backward spring made the corn late in getting a start. Then came some real wet weather, and immediately after that some real dry hot weather. Old corn growers shook their head—and decided there wouldn't be much to the crop this year. A little shower now and then helped, though, and King Corn began to prick up its ears and take on new life.

Even that which was replanted on bottom lands would make a respectable crop if we were fortunate in having a late fall.

T. A. Corken, banker and farmer, had an interesting display of corn at the Northwestern bank this week. Some of the ears came from the field of yellow dent and white varieties—the best corn for this latitude. This corn was well filled, but was not much past the roasting ear stage, and it will take some warm weather for awhile yet to finish it.

Two red ears were of the ninety-day variety. They were hard as flint, but Mr. Corken says that the yield will not be more than half what the yellow and white, as the dry weather struck it just at the critical stage. Then he had some samples of the replanted corn on the Nodaway bottom. They were of good size, but this corn will be late to mature. It would make a good yield if the season is long.

The whole country, as well as farmers, needs a big crop this year so Jack Frost will be very accommodating if he will make his call as late as possible this year—Burlington Junction Post.

Mr. and Mrs. O. L. Mutti, Mrs. W. T. Pistole, J. C. Pistole, E. C. Wolfers, Harry Bollinger and Mr. and Mrs. Fay Whitney of Hopkins are among the out of town people in Maryville today.

Miss Edith Dovesmith of Niagara Falls, N. Y., will arrive in Maryville this afternoon and will visit for a few days with Dr. Eula Godby and Dr. Jessie Clark.

Mrs. L. R. Holaday and daughter of Graham were Maryville visitors yesterday.

Mrs. R. T. Wigzell, who has been very ill, was taken to St. Francis hospital yesterday for treatment.

Mrs. Wallis Returning.

Mrs. Will Wallis, who has been visiting her sister, Mrs. Walker Lee Campbell, of Portland, Ore., for several months will return tonight to her home in Maryville. Mrs. Wallis will be accompanied by her sister, who will stop in Kansas City for several days to visit with her mother, Mrs. Blanche Douglas, before coming to Maryville.

70 Years Old Today.

John H. Curnutt is celebrating his seventieth birthday today and says he is feeling as young as he did many years ago. He was born at Crawfordsville, Ind., September 14, 1847. He located in Maryville in 1874 and has been a resident here ever since.

Mrs. Wellington Dusenberry, who has been visiting her sister, Miss Cora Lamar, of Elmo, returned this morning to her home in Maryville.

SUFFERED NINE YEARS

Many Remedies Tried in Vain. Well and Strong After Taking Lydia E. Pinkham's Vegetable Compound.

Spartanburg, S. C.—"For nine years I suffered from backache, weakness, and irregularities so I could hardly do my work. I tried many remedies but found no permanent relief. After taking Lydia E. Pinkham's Vegetable Compound I felt a great change for the better and am now well and strong so I have no trouble in doing my work. I hope every user of Lydia E. Pinkham's Vegetable Compound will get as great relief as I did from its use."—Mrs. S. D. McABEE, 122 Dewey Ave., Spartanburg, S. C.

The reason women write such grateful letters to the Lydia E. Pinkham Medicine Co. is that Lydia E. Pinkham's Vegetable Compound has brought health and happiness into their lives. Freed from their illness they want to pass the good news along to other suffering women that they also may be relieved. This is a praiseworthy thing to do and such women should be highly commended.

SIMPSON LAUDS JOB

(Continued from page 1.)

message is also the most beautiful conceived by the mind of men. Job is the master character of literature because in his suffering and calamity his faith in God is not changed. He disproves the devil's lie that virtue depends upon success. He is great because he plays the man in spite of the condemnation of existing theology and the seeming indifference of God.

"He is a pyramid among men because he believed in the intrinsic worth of man and maintained the attitude in spite of the low estimates of philosophy and science.

"He solved the riddle of immortality by his daily morality and was sure he would see God even without his flesh. The centuries vindicate the worth of such character."

The Rev. Cameron Harmon, president of the Missouri Wesleyan College, will give the lecture this evening. His subject is "The Transfiguration of the Commonplace." Music will be furnished by a male quartet composed of E. M. Claypool, the Rev. Gilbert S. Cox, H. H. Mutz and H. J. Becker.

Edmund Cummins, who has been spending his vacation with his father, Thomas Cummins, left yesterday for St. Louis, where he will attend school during the winter.

Now Is a Good Time To Treat Your Catarrh

Mild weather aid treatment.

Don't be misled into thinking that your Catarrh is gone. The first touch of winter weather will bring it back with all its discomforts.

But this is an excellent time to thoroughly cleanse the blood of the germs of Catarrh, and be forever rid of the troublesome sprays and douches that can never cure you.

S. S. S., the great blood purifier, searches out the germs of Catarrh which infest your blood, and chases them entirely out of your system. It is by far the most satisfactory treatment for the disease, because it reaches down to its very roots and gets at the cause. WITH PERSHING IN FRANCE

Sergt. Corey Cook, Formerly of Maryville, Loves France and the Army.

Sergeant Corey Cook, who is with General Pershing in France, has written to his mother at St. Joseph. Sergeant Cook is a nephew of L. C. Cook E. G. Cook and Prof. T. H. Cook of this city. The following if from last night's News-Press of St. Joseph:

Mrs. Vina Cook, 706 Locust street, has received a letter from her son, Sergt. Corey Cook, a photographer in the ranks of the American expeditionary forces, announcing his safe arrival in France. Sergeant Cook went to France with the contingent that followed General Pershing. He is a short distance from Paris, at General Pershing's headquarters.

"I have no reason to be discouraged for I have been made a corporal and then a sergeant in two month's time," Cook wrote his mother. "I have had unusual luck with my pictures and have a good stand-in at headquarters."

Last Monday was payday for the American soldiers in France, and Sergeant Cook took the opportunity to use some of his cash yesterday in cabling his mother. The message said:

"Love France. Health fine. Why don't you write?"

In the last letter directions were given to address all his mail to the headquarters of the American expeditionary forces and several letters are on the way.

Sergeant Cook is only eighteen years old. He went to school in Maryville and St. Joseph, and learned photography in a Maryville studio. He enlisted as a photographer in the regular army's signal corps at the recruiting station here Oct. 13, last, and he was stationed at Fort Leavenworth from that date until July 28, when he wrote his mother that he expected to soon be in a foreign country."

"The Great Bradley Mystery."

"The Great Bradley Mystery," written by Edward Ellis, deals with the love of two business partners for the same girl, Mary Collier; through a deception by Bradley, is forced to leave town. Bradley marries Mary, and they are happy until the deception comes to her ears. Soon after this Bradley is found dead. Suspicion falls on Mary, Collier and Tony, the father of the girl betrayed by the dead man. The mystery is finally cleared up, and Mary and Collier are acquitted, leaving them with the knowledge that a long deferred happiness will be theirs. Edward Ellis himself plays the part of Bradley, and with Alma Hanlon as Mary, Edward Earle as Collier, and Florence Short as Lola, the picture promises to be a drama of extraordinary merit.
